\*All dancers six years and older must be placed by a TAD faculty member to ensure correct class placement!  
Class placement is based on physical ability, strength, maturity, knowledge, and talent.  
Ballet - Pre-ballet is designed to teach basic posture, positions and alignment. This class is an excellent beginning ballet for children 5-7years old. After this level, all students need a placement class.  
Class Placement Guidelines:  
Beginner- 1-3 years experience.  
Inter I level- 3-6 years experience.  
Inter II level- 6+ years of experience.  
Adv level- Talent based!  
Please remember, attending class once a week rarely advances a student, beyond a beginning level!  
Jazz III & Up should attend at least one ballet class per week for technical!  
\*Jazz Teams are all placed by audition & dancers must be enrolled in TAD's ballet program.
