NOTES FOR DROP OFF:

- TAD & the Theater will have a carpool system in place to make for an easy drop off for all! Carpool will be right in front of the theater. A staff member or TAD parent volunteer will walk students to the building where they will be greeted by TAD staff & checked in. Parents may Park and walk their dancer to the building if they wish. Parents will not be permitted to go back stage or in dressing rooms.
- be sure to arrive on time as we will be on a tight schedule to allow all dances to practice on stage/ quick changes! If a dancer is late they run the risk of missing their dance.
- we typically see parents check out their dancer from school early for the one day to allow time to do hair, makeup and to arrive on time with as less stress as possible
- students are to arrive with hair and make-up already done!

✱ RECITAL DAY NOTES ✱

- Please arrive at check in on time. leave your home with extra time
- have your dancer wear their first costume. Teacher will let dancer/ parents know which dance is first! Normally if dancer is in a ballet dance and others, they will have their ballet dance first. Students should not arrive wearing just a console. Students may wear a zip up jacket over their costume.
- arrive with hair and makeup already done!
- have your dancer come in outside shoes and dance shoes in their dance bag
- NO parents are permitted backstage or in the auditorium for our closed rehearsal. After you drop off you are free to go! We have a close watch on all students!
- after the show all dancers will be released in level/ age order Younger dancers will be released first.
- we release all dancers to the lobby after the show
